WAYS YOU CAN HELP!!

Supplies: We are in constant need of supplies. With over 5,000 people using our facilities last year, you can imagine how costly our supply list can grow.

Donations. Please consider becoming a monthly support partner or a one-time gift-giver.

Prayer. Please pray for our ministry!

If you, your church or another group would like to collect supplies, please contact our office.

Camp Manna Summer Day Camp

Camp Manna is gearing up for our 5th Summer Day Camp. We have pumped up our program and are looking forward to a spiritually fun-filled summer. You will not want to miss this summer!!!

We have added a program director this year and are very excited about this new role. Kelly Klutz will be our Program Director and Kris Shepherd will be our Lead Director.

By attending Camp Manna your child will experience great bible lessons, challenging group activities, fun filled recreational times, nature walks, exciting off campus fieldtrips,

and counselors who genuinely care about the welfare of your child's emotional needs.

Please pray for our staff as we prepare our weekly events, lessons, craft times, etc. We hope to bring you a program that will enrich the life of your child. We desire to have a Chris-centered atmosphere in all we do.

Be sure to register early to reserve your spot! Check out our group rates and multiple child rates and other important information by visiting our website and clicking on the summer day camp link or call our office directly at 336.284.CAMP. You can also find

What's Happening at Camp Manna?

Camp Manna is an ongoing building project. We build as the Lord provides. Our current projects are to complete the amphitheater, which will seat approximately 800 people and to finish the zip line across the lake.

We are hoping to start another building project that will allow us to have our first indoor facility. Our plans are to build a recreational building to be used during our summer day camp program. Please pray the Lord will provide funds for

this project as we are in need of an air-conditioned building on site!

For more information on these projects or to find out how you or your church group could help, please contact our office.

Be sure to check our website www.campmanna.org for other important information. Check out our monthly calendar to keep up to date on upcoming events. Call our office to make reservations for your next church event, youth outing, camp out, family reunion, etc.!
